MONTREAL RACING SPIRITED

HEARTS OF OAK WINS CONNAUGHT CUP IN HARD DRIVE WITH PRIVET PETAL.

Sir Blaise Scores Over Pan Zareta in Overnight Handicap by Narrow Margin—Sister Florence Wins, but Is Victim of Mishap.

Montreal, Que., June 2.—Hearts of Oak, winner of last year's King's Plate at Woodbine, and a horse rated as the best of the Canadian-breds racing at present, showed a smart performance in the feature race at Blue Bonnets this afternoon when he beat Privet Petal a head in the closing stride of the Connaught Cup, a dash of one mile and a quarter. Hearts of Oak carried 115 pounds, came from behind and, in a driving finish, outlasted the tiring Privet Petal. The latter was probably best and had Taplin used better judgment in rating his mount at a slower pace, he would have beaten the winner. As it was, Privet Petal was rushed into a long lead on the backstretch with the result that he tired badly in the last furlong. Privet Petal ran the first three-eighths in 35½, five-eighths in 1:00⅖ and seven-eighths in 1:26⅘. Although beaten in today's contest, Privet Petal showed that he is a horse far better than most people rated him and the chances are that the next time he meets Hearts of Oak he will beat him.

This was the third running of the Connaught Cup, the brief history of which is as follows:

Year.	Winner.	A.Wt.	Jockey.	Val.	Time.
1912	Plate Glass	...7	131 E. Martin..	$ 955	2:12
1913	Bwana Tumbo..	4	131 J. Wilson..	1,095	2:10⅘
1914	Hearts of Oak.	4	115 H. Gray....	1,270	2:08⅘

Sister Florence signalized her re-appearance after being cut down at Havre de Grace by winning the second race, in which she beat the poorly handled Rey a length. When Sister Florence pulled up it was found that she had been again cut down and the injury was in almost the exact place as the former cut. Rey, ridden by Denny, beat the others away from the barrier, but was taken back. At the end he closed with a rush and was overhauling the winner with every stride. Denny's ride was evidently not satisfactory to the stewards, as he was called into the stand for an explanation. T. S. Parker, owner of the horse, was also sent for and another session will probably be held over the race tomorrow.

Sir Blaise, which was beaten in the Jacques Cartier Stakes through poor handling, got his revenge this afternoon when he led home the speedy Pan Zareta in the six-furlongs handicap. The two fought it out through the last sixteenth and at the end the 126 pounds that Pan Zareta was asked to shoulder had its effect and she was beaten a scant half length.

Bryndown came back this afternoon and scored another victory in the steeplechase. There were only three starters, but they raced in a close bunch pretty much all the way. At the nineteenth fence, where Exton was lapped on Bryndown, he made a mistake and fell. Kermath suffered a broken nose as a result of the fall.

Jockey Harry Snyder has purchased the contract that J. S. Tyree held on him. The transaction entailed a transfer of $1,500 which the rider turned over to the Washington turfman. Snyder will in the future ride as a free lance.

D. Raymond reports the arrival of a handsome foal by Sea King out of the Disguise mare, Sal Volatile, at his farm. Sal Volatile has now been mated to the Flying Fox stallion, Malamont. The latter, by the way, has gone wrong and will not be in training this season.

J. F. Ryan, manager of the Canadian National Breeding Bureau, reports the donation of the stallion Bwana Tumbo to the bureau.

The following officials have been sanctioned by the Canadian Racing Associations for the Dorval meeting: Stewards, Capt. T. J. Clay and J. A. Murphy; judges, Francis Nelson and Herman P. Conkling; starter, James Milton; racing secretary, Joseph McLennan. Joseph A. Murphy will also act as steward at the Ottawa track.

SUCCESS OF THE WOODBINE MEETING.

The seven days of the spring season of racing at Woodbine expired on Saturday, and the general verdict was that the last was the best day, and that never had the Ontario Jockey Club so successful and satisfactory a meeting in its long history. Rain never fell during the week, except at night or during the morning, while racing hours were all of delightful weather. The new grandstand was greatly appreciated by increased crowds, and the racing was of the keenest interest and the most satisfactory character throughout. Not a single incident of untoward bearing occurred through it all, and never did the change of conditions which eliminated the bookmaker here bring out more general approval. Occasionally one might be found who for the sake of the definite offer of odds by the ring would be willing to have back again the bookmaker and all the undesirable concomitants of his system, but such a one was rare.

The week was a great popular holiday, and forms half their regular summer vacation for many people. It was a most enjoyable one, and as different as possible from the "carnival" pictured by uniformed critics. On Saturday afternoon Inspector Miller, who has been in charge of the police arrangements at Woodbine for many years said: "I don't know how many people were here, perhaps some fifty thousand, but we had not a single case of disorderly conduct or improper language in the whole seven days. Everybody seems well-behaved and good-humored. I cannot say that invariably of attendances at other forms of sport."

Even though racing went on, as did other activities of public life on Saturday there was all through a feeling of depression over the dreadful loss of the splendid ship and her thousand passengers in the Gulf of St. Lawrence. The attendance in state of their Royal Highnesses, the Duke and Duchess of Connaught, who had also intended to return in state to Craigleigh after the sixth race, was abandoned, and the flags on the grand and members' stands flew half-masted.—Francis Nelson in Toronto Globe.

BUYS SANTA ANITA TRACK.

San Francisco, Cal., June 2.—The famous Santa Anita race track, near Los Angeles, long a monument to the turf activities of the late E. J. ("Lucky") Baldwin, will be no more.

Mrs. Anita Baldwin McClaughry, daughter of the noted breeder, on the eve of her departure for Europe announced last night that she had acquired the majority control of the stock of the Los Angeles Racing Association and that it was her intention to replace the track with a modern club house, polo grounds and golf links.

It was on the Santa Anita track, adjoining the Santa Anita ranch, of which Mrs. McClaughry is owner, that Baldwin passed his declining years. Of the horses that carried his colors on western tracks as well as at Sheepshead Bay, Saratoga, Brighton and Chicago, a number still live and are cared for at Santa Anita. They are Ray El Santa Anita, Curzados, Santa Anita Star, Norford, son of Emperor of Norfolk, and Reina de Los Angeles.

PENNANT MAKES AUSPICIOUS DEBUT.

Last Year's Futurity Winner Scores Over Good Opposition in His First Start of the Season.

New York, June 2.—The Little Neck Handicap, one mile and a sixteenth, was today's feature at Belmont Park, and it marked the first appearance this year of Pennant, last year's Futurity winner. Pennant was returned the winner over Buckhorn and Buskin. His race was an impressive one, for he set a fast pace from the start, withstodd repeated challenges, and won with something in reserve. Buckhorn ran to his best form, but had no excuses. Buskin found his impost of 123 pounds too much to handle, but he ran a good race.

The Whitney colors were also home in front in the fifth race, when Virile defeated a shifty lot of platers, including Donald Macdonald, the favorite. Dismiss won the opener and it incidentally marked the first success of J. E. Madden's horses at the meeting. Crossbun proved easily best in the second after showing a high flight of speed throughout.

Stonehenge led a poor lot in the sixth, from start to finish.

J. E. Madden sold Joe Rosenfield to David Stevenson at private terms this afternoon.

Tomorrow the scene of racing will shift from Belmont Park to the picturesque course of the Piping Rock Racing Association at Locust Valley. Again on Saturday there will be racing at Piping Rock. Belmont Park racing will occupy the remaining days of the week.

J. N. CAMDEN'S HIGH HONOR.

Louisville, Ky., June 2.—Turfmen, not only in Kentucky, but throughout the country, feel elated that the ranks of noted breeders and owners of prominent racing stables contained a man of statesmanlike qualifications so marked as to receive from Governor James B. McCreary the honor of an appointment to the United States Senate to fill the unexpired term of the late W. O. Bradley. J. N. Camden, who has just been so honored, is one of the most extensive breeders of thoroughbreds in America and his horses are raised to be raced in his colors and not for the sale market. He served as a member of the Kentucky State Racing Commission for one full term of four years and on recently being reappointed was selected by his colleagues to be chairman of the board which governs racing in Kentucky.

Senator Camden has a greater interest in racing and the breeding of thoroughbreds than any man honored with such a great position since the days of the great commoner, Henry Clay. His Hartland stud, in Woodford county, is one of the finest breeding estates in all America and he has spared no expense to secure the best of blood lines in the mares and stallions he owns and from which he is raising annually the recruits for his big racing stable. At one time during the present local race meetings, Senator Camden had close to thirty horses in training. In fact throughout the year he campaigns one of the biggest strings to be found at any track where his horses race. He takes great pride in any star performer developed in his stable and never sells his best horses. He has made several trip to Europe to buy thoroughbreds to improve his Hartland stud and he probably owns more English-bred mares than any breeder now in Kenutcky, unless it be Price McKinney, who secured the pick of the late J. R. Keene's imported stud matrons.

The thoroughbred horse has now two strong supporters in the two senators from Kentucky, as Senator Ollie James is also a warm admirer of racing.

Senator Camden is many times a millionaire, owning vast interests in eastern Kentucky, West Virginia and a magnificent country home near Versailles. His father, Senator Camden, represented West Virginia in the United States Senate for one full term and part of another. In the opening up and development of the rich coal-producing regions of West Virginia and eastern Kentucky are summarized the most significant events in the recent material history of those states. The work has involved the unification of many scattered antagonistic interests, the formation of a strong operating organization and the extension of railroad lines into a vast area hitherto inaccessible, giving to its mineral wealth adequate outlet to the markets of the manufacturing districts of the country. In the achievement of this triple task, Mr. Camden has played a conspicuous part, and, in furtherance of the big undertaking, is today a dominating figure.

He was born at Parkersburg, W. Va., January 5, 1865, the son of Johnson Newlon and Anne (Thompson) Camden. On the paternal side of the family he is of English, and on the maternal side of Scotch-Irish and Dutch ancestry. His father was for many years one of the foremost citizens of West Virginia, a powerful factor alike in its political life and material development. He had large holdings of oil and coal properties, and was identified with many enterprises in connection therewith. He represented the state as United States Senator from 1881 to 1887, and from 1893 to 1895.

Mr. Camden was educated at Phillips Andover Academy and the Virginia Military Institute at Lexington, Va.; afterward attending the Columbia Law School, New York City. He entered upon his active career as treasurer and paymaster of the Ohio River Railroad, a line which had been built by the elder Camden. This position he resigned to become president and treasurer of the construction company which was engaged in the building of a road later known as the Monongahela River Railroad, and extending from Fairmont to Clarksburg, W. Va. In this work he continued until the completion of the line.

In 1890, with the object of recuperating his health, he took up his residence on the family estate of about 1,600 acres, one of the handsomest and most characteristic of the blue grass, known for generations as the Spring Hill Farm, at Versailles, Ky. Not content to lead here a life of idleness, he found a congenial occupation in the breeding of thoroughbreds. Purchasing the noted stallion Spendthrift with thirty choice mares from James R. Keene, he acquired from time to time many thoroughbred mares, and later added to his stud such imported horses as Esher, Albert, Oddfellow, Mazagan, St. Simonian and Peter Quince. As a result, the Spring Hill Farm has contributed many great thoroughbreds to the turf; and the history of the American horse owes much to Mr. Camden for the time and energy he devoted to this avocation, as well as for the important service he, with a few others, rendered in having drafted and largely through his efforts having enacted into law a bill creating the Kentucky State Racing Commission.

Becoming actively interested in politics in 1911, he served on both the executive and financial committees of the Democratic state committee, and took a prominent part in the fall campaign, which, resulting in a sweeping Democratic victory throughout the state, overturned the Republican plurality that for a number of years previous had been regularly polled.

Among the extensive West Virginia coal interests of Mr. Camden's father was the famous Monogah property, and in conjunction with C. W. Watson, the late Senator began the development of this promising field, which is now operated by the Consolidation Coal Company. After his father's death he associated himself with John C. Mayo and C. W. Watson and formulated comprehensive plans for the immediate and future development of the resources of the vast coal fields of eastern Kentucky.

Through the efforts and influence of this trio, such great railroad corporations as the Louisville and Nashville, the Chesapeake and Ohio, the Baltimore and Ohio and the Cincinnati, Hamilton and Dayton were induced to build branches, involving the outlay of millions of dollars, to penetrate this, till then, isolated territory, with results of advantage to the states of West Virginia and Kentucky, not the least considerable of these results being the placing on the market of the valuable deposits of eastern Kentucky, from which are mined coking coal. Mr. Camden's activities for several years have been largely directed to solidifying and bringing in mining and marketable shape this widely extended field.

He is a member of the Lexington and Country Club, of Lexington, Ky., and of the Pendennis Club, of Louisville. He was married in 1888 to Miss Susanna Preston Hart, of Woodford County, Ky.

MEETING OBJECTIONS IN LOUISIANA.

Bill to Permit Restoration of Racing to Be Amended to Overcome Criticisms.

New Orleans, La., June 2.—Organization of women in New Orleans plan to boycott merchants who support a measure before the legislature to legalize betting on racing in Louisiana. Two mass meetings have been held. The bill provides that New Orleans shall decide the subject for itself at a local option election.

Backed by 16,000 signatures to a petition, the bill was introduced in the lower house at Baton Rouge and sent to the city affairs committee, from which a report is expected tomorrow. Besides the referendum feature the bill provides that betting be permitted under the pari-mutuel system and that racing be governed by a commission modeled on that of Kentucky.

To combat this petition women who attended an open air mass meeting Sunday are systematically canvassing the city to gain signatures to a counter petition. At a mass meeting last night, called by the leaders of those fighting for the passage of the bill, the largest auditorium in the city was filled.

Baton Rouge, La., June 2.—Following the great mass meeting in New Orleans last night in support of a return of racing and the passage of the Reinhardt bill by the Legislature, those handling the measure announced tonight that it will be amended and re-drafted before it is brought from the committee, in the hope of making it more popular and meeting certain objections now urged against it. Further time will be asked from the house and the Fontenot resolution demanding that the bill come from the committee tomorrow will probably be extended. Advocates of the bill want more time and they are making legislative combinations meanwhile, which they hope will help the measure through the house.

GOSSIP FROM CANADIAN SOURCES.

Toronto, Ont., June 2.—Trainer J. L. Coyle has shipped Miss Chamblet's Simondale, Bill Andrews, Handsallround and Roland Pardee to Belmont Park. Steeplechase jockey Ryan accompanied the stable.

Ed Glassco's horses are still at Woodbine and will be shipped from here to Ottawa, while those of C. Hauser will go from here to Dorval Park.

Among the stables that remained here will be shipped to Hamilton are those of E. W. Moore, M. Le Roy, J. H. Lamb and the large string that John Nixon has in training. A number of Charles Miller's two-year-olds in Nixon's care will be seen under colors at the Hamilton meeting for the first time.

The good-looking three-year-old Dead Shot in the Lamb stable has been gelded and will not be raced for some time. Johnny Harris is a new acquisition to the stable.

George Cornell's two-year-old Gartley came out of his race on Saturday suffering from bucked shins, and he will be laid up until the Hamilton or Fort Erie meetings.

All of the large Canadian stables were shipped to Montreal with the exception of the Brookdale Stable of the Messrs. Dyment. Trainer George Walker will rest the string for a few days and will go from here to Hamilton. The Barrie-owned stable did not meet with the success that was expected at the Ontario Jockey Club meeting, winning only one race.

NOTES OF THE TURF.

Beehive's unbeaten record is now nine firsts.

J. C. Cahn will take charge of the management of jockey L. Gaugel.

Eleven race meetings were conducted in various parts of France on May 21.

Lucien Lyne won two races at Boitsford, Belgium, May 21, and finished second in the Belgium Derby. Nash Turner was among the winning jockeys the same day.

Jockeys Wills and Watkins were indefinitely suspended at Electric Park Saturday for engaging in a whip fight during a race.

Frank O'Neill, Matt McGee and Guy Garner, three Americans, monopolize the first three places in the French jockey list for this season to date. Johnny Reiff, another American, stands fifth. Milton Henry is tenth.

The Valleyfield Fair Association will hold a race meeting at Valleyfield, Que., June 17 to 24, with C. C. Campau as presiding judge, W. W. Lyle, associate judge; W. M. Murray, starter; Harry White, paddock judge; and B. Jacobs, clerk of scales.

A NEW WRINKLE IN BOOKMAKING.

Last October when The Tetrach first came under suspicion, D. M. Gant, turf commission agent, conceived the idea of insuring at Lloyd's the running of the horse in the Derby. It was a bold stroke, for it enabled him to give his clients the benefit of "a run," and he took out policies for about $150,000 at rates varying from twenty to thirty per cent. There was nothing wrong in this; it was a sound commercial transaction, and far less of a gamble than the operations of the fielders, who have never ceased to pepper the horse for the last six months. Mr. Gant's methods have been rewarded by success, for his clients who backed the horse "with a run" do not lose their money, while he has to receive a substantial sum from the insurance companies.—London Town Topics.

EVANSDALE TAKES A VALUABLE RACE.

London, Eng., June 2.—At the Hurst Park meeting today, the Hurst Park Yearling Plate for now three-year-olds, of 21 sovereigns each, with 1,000 sovereigns added, at six furlongs straight, was won by Kennedy Jones' bay colt Evansdale, by Desmond—Little Eva, with J. B. Joel's brown filly Imperative, by Your Majesty—Hello, second, and P. Nelke's bay filly Sunwin, by Sundridge—Winnie K., third.

T. C. McDOWELL'S FRIENDS ACTIVE.

Lexington, Ky., June 2.—Governor James B. McCreary was today presented with a petition numerously signed by breeders, owners, trainers of running horses and others interested in the welfare of the turf, requesting the appointment of Thomas C. McDowell to membership on the Kentucky State Racing Commission, vice Johnson N. Camden, who is to be appointed United States Senator.

SURPRISES AT LOUISVILLE

CASH ON DELIVERY IS ONLY SUCCESSFUL FAVORITE AT DOUGLAS PARK.

Presumption Beats Great Britain and Korfhage Takes Measure of John Gund in Principal Races of Day—Brig's Sister in Game Performance.

Louisville, Ky., June 2.—Today's splendid card and ideal weather caused a return of the former generous patronage accorded racing at Douglas Park. There was much activity in the betting pavilion. The backers of favorites fared poorly, as Cash on Delivery was the only winning first choice of the afternoon. The $700 handicap, at six furlongs, brought out a speedy lot, including George M. Hendrie's crack, Great Britain, which was making his initial start of the season. He was deemed to outclass his opposition, but he was taken into camp rather handily by Presumption. The latter led all the way and won well in hand. Great Britain was badly outpaced for the first three furlongs, but finally came with a good burst of speed, and at a longer distance he might have overtaken the winner. He will be benefitted by the race and in future starts should reverse the outcome with Presumption.

The mile allowance race was another interesting contest. It was engaged in by such stars as John Gund, Hodge and Boots and Saddle. All three received staunch support, but when it came to the running, Korfhage led all the way and won with utmost ease over John Gund, with Hodge being driven hard to dispose of Boots and Saddle for third money.

Starter Morrissey suspended jockey Griner for the rest of the meeting on account of disobedience at the post.

Sandstone and Korfhage, the winning two-horse combination, yielded $130.30 for $2. No one was fortunate enough to pick Presumption, Brig's Sister and White Wool, so the field backers took the three-horse pool, each receiving $8.75 for $2.

Trainer Herman Brandt, acting for Jefferson Livingston, has sold the three-year-old Locomotion to John Hogan.

Favorable advices continue to be received regarding Secretary E. W. Maginn's condition and he probably will be able to resume his duties during the first week of the Latonia meeting.

Trainer James S. Everman and owner C. E. Hamilton had a narrow escape from death yesterday during the storm when lightning struck within ten feet of where the two were standing and in freakish fashion passed by them and entered the stall of Sweetheart Sue and shocked her. The filly showed no ill effects later.

E. R. Bradley's Brig's Sister furnished one of the main racing incidents of the day when she got home in front, after a sensationally-game performance. She was nervous at the post and when Starter Morrissey released the barrier she propped and started to wheel, but Neylon's alertness prevented this. The others were many lengths in advance of her before she got fully settled in her stride. After the first quarter, she moved up like a streak and picking up her company gradually got to Lady Barbara in the last furlong and beat her home by half a length under a hard drive.

White Wool, running kindly, in the closing dash, beat a good band of platers that included Bonne Chance and Verena. Star O'Ryan, which in a former start won with the greatest of ease, ruled favorite for this race, but ran disappointingly and quit badly in the stretch.

Cash on Delivery earned his first purse for the Livingston stable when he spreadeagled his opposition in the opener. Sandstone furnished a surprise in the second race by winning handily. Cycle was in the lead in approaching the stretch turn, when he ran out and carried Dengro with him. The latter probably would have won but for the mishap.

Secretary Nuckols of the Kentucky State Racing Commission has received a request from the secretary of the Business Men's League in New Orleans to forward to Baton Rouge, La., a mutuel machine for a demonstration before the legislators of its operation. Secretary Nuckols notified Charles F. Grainger of the request and the latter immediately dispatched the mutuel device and its workings will be fully explained and shown to the members of the Louisiana legislature.

Jockey R. Waldron was forced to cancel his engagements today on account of illness.

Jockey Nicol has been engaged by J. B. Respess and will do most of his riding.

Winner—Br. h, by Lissak—The Pet (trained by L. E. Fine).

Went to post at 3:46. At post 2 minutes. Start good and slow. Won driving; second and third the same. SIR BLAISE was outrun for the first half, but moved up rapidly after entering the homestretch and, finishing fast, wore PAN ZARETA down and got up in the final strides to win drawing out. PAN ZARETA followed the early leaders closely to the last eighth post, where she dashed to the front, but her weight told on her near the end and she tired. RECOIL closed a gap and outstayed SHERWOOD for third place. BACK BAY set a fast pace, but tired badly in the last quarter. COLQUITT ran a fast half.

Scratched—9882 Moving Picture, 100; 14231 Horron, 116; 14436 Colonel Marchmont, 105; 14436 Ray 'o Light, 98.

Winner—Br. c, by Bassetlaw—Lady Lightfoot II. (trained by H. Giddings, Jr.).

Went to post at 4:08. At post 3 minutes. Start good and slow. Won driving; second and third the same. HEARTS OF OAK was saved under restraint for the first three-quarters and was sharply cut off on the turn out of the backstretch, where his rider attempted to go through on the inside, then was taken wide on the stretch turn and, wearing PRIVET PETAL down in a fast finish, got up to win in the closing strides. PRIVET PETAL showed a high order of speed in pacemaking and would probably have won had his rider not made so much use of him. PLATE GLASS ran fairly well, but tired in the stretch drive. THE USHER ran poorly. MARTIAN showed speed and ran well for a mile.

SEPULVEDA began slowly and was badly outpaced in the early running, but closed a gap and, finishing with a rush through the homestretch, beat CLIFF EDGE out in the last stride. The latter set a good pace, but was made too much use of and tired when challenged right at the end. BRYNARY was shuffled back on the stretch turn, but came again and finished fast and close up. TODDLING closed a gap in the last half and so did MERRY LAD. LIBERTY HALL ran a poor race throughout. CHAD BUFORD and ISABEL CASSE showed early speed.
